

FROM THE EDITORIAL DESK

Compliment of the season to everyone. We thank God for His protection over us in this challenging time of COVID 19. Once again on behalf of the Editorial Board, I present to you the Volume 3 No 2 of the UNESWA Journal of Education (UJOE). As usual it contains articles on current issues on education, please note that the Editorial Board does not necessarily share the views of the authors but we believe that you will find the articles educative and stimulating. I wish to express my profound gratitude to the Board of Editors, Advisory Board and assessors without whose services it would have been impossible to produce this 6th edition of UJOE. Readers' constructive comments and views are welcome.

Please remain safe and protected. God Bless.
