FROM THE EDITORIAL DESK

Compliment of the New Year 2022 to all. We thank God for the privilege to witness another year alive, hale and hearty. On behalf of the Editorial Board, I present to you the Volume 4 No 2 of the UNESWA Journal of Education (UJOE). As a reminder, UJOE holds great promise for excellence in scholarship and research. It seeks to judiciously balance the international, national and local educational needs. While the journal esteems the value of academic excellence it further accentuates the practical application of the cream of that excellence for meaningful down – to – earth service to humanity. We sincerely hope you will find the articles in this edition educative and interesting.

My profound gratitude to the Board of Editors, Advisory Board and Reviewers without whose services it would have been impossible to produce this 8th edition of UJOE. Readers' constructive comments and views are welcome.

Please remain safe and protected. God Bless.
