FROM THE CHIEF EDITOR'S DESK

UNESWA Journal of Education (UJOE) has evolved since its inception. I am pleased to note that it has attracted researchers from the region and internationally. All manuscripts submitted to the journal are subjected to a double blind peer review exercise by the members of the editorial board who are noted experts in the appropriate subject areas. This issue contains five (5) articles from diverse education areas as can be seen from the submissions.

On behalf of the Editorial Board, I present to you Volume 6 issue 2 of the UNESWA Journal of Education (UJOE). It contains articles on current issues on education. Once again, I wish to express my profound gratitude to the Board of Editors, Advisory Board and reviewers without whose services it would have been impossible to produce this volume of UJOE. I wish the readers a fulfilling reading and would like to take this opportunity to invite more articles for submission into the UNESWA Journal of Education (UJOE).

I thank you!

Readers' constructive comments and views are welcome.

Thank you!
